

# BUYING GUIDE • Headsets

## WHAT WILL YOU BE CONNECTING TO?

Look for this icon if you need to...

Connect to your desk phone

Connect to your PC audio (for VoIP or softphones)

Connect to your mobile phone

Connect to your home phone

## HOW FREE DO YOU WANT TO BE?

Don't want to be tied to your desk? With a wireless headset you can roam the office while on a call.

Provides low interference, high quality audio and up to 350 feet of wireless freedom.

Ensures you will have a seamless, wireless headset experience. Provides up to 33 feet of roaming range.

Voice conferencing...a click of a button on your headset lets someone on another headset in on your call.

## CHOOSE A WEARING STYLE

### Over-the-ear

Discreet, plus quick and easy to put on and take off.

### Over-the-head

Worn like a headband, it provides more stability.

### Convertible

The ultimate in versatility. Convertibles offer over-the-ear, over-the-head and behind-the-head wearing options in one convenient headset.

Want to keep one ear on your surroundings? Choose a **monaural** (single-earpiece) style.

To block out distracting background noise, choose a **binaural** (dual-earpiece) style.

**A Savi Office™ Wireless PC/Phone Convertible Headset** Integrate your desk phone and PC softphone into one, unified voice communication solution that delivers business-critical sound quality and wireless convenience.

- Work smarter—combine calls from your softphone with your desk phone or switch seamlessly between the two.
- Connect multiple headsets to a single base system for convenient, on-the-fly voice conferencing.
- Premium wideband PC audio provides improved call clarity and lifelike fidelity—hear conversations clearly for improved efficiency and reduced work-day stress.
- Use with Plantronics HL10 or hookswitch cables (sold separately) for remote answer/end.
- Manufacturer's limited one-year warranty.
